		Number of manoeuvres	4	5	9	10	11							

Note:
The medal series and Marathon race are not considered for average; the average and rank by average are calculated based on opening series performance only.
The number of manoeuvres is the sum of the tacks and gybes performed after the boat has crossed the start line.

Legend:

-	Information not available and not used in the calculation	**kts**	Knots	**m**	Metres	**Rk**	Rank
